HÄFELE GROUP SINCE 1923

Founded in Germany, Häfele is a world-renowned provider of smart home and project solutions since 1923. Häfele develops and manufactures hardware technologies in 6 factories in Germany and Hungary, and serves the furniture, construction and building industry in over 150 countries.

In the 2017 financial year, the Häfele Group achieved exports of 80% with over 7,600 employees in 37 subsidiaries and numerous additional dealerships around the world and revenue of over 1.38 billion Euros.

Häfele's superior range of products not only exemplifies German quality standards, but is developed with the philosophy of "functionality" and "easiness" in mind to offer reliable solutions for both professionals and consumers.

HÄFELE

EASY TO FIT.
HARD TO MISS.

ALL IS BLACK.
BUT NOT JUST BLACKNESS.

When it comes to fashion and interior design, you can never go wrong with black. It is the first and easiest way to create an elegant and sophisticated look.

As a world leading provider of furniture fittings and architectural hardware, Häfele has created the Black Range so you can easily upgrade your home and business with just a few touches.

But, more than just a trendy color, every item of our Black Range is made with German engineering that has been recognized worldwide, and a classy design that is typical of the European style.
