

Company Profile

About Geesa

We love design, the combination of a magnificent design and its functional application. It is our job to pay 100% attention to bathroom and lavatory details and in 2010, Geesa has have been active in the field for 125 years. It is our core activity, as well as our passion.

From then to today

Founded in 1885, in 2010 Geesa has been active in the field of bathroom accessories for 125 years and is a market leader in the Netherlands in the professional segment (fitters and bathroom specialist shops) and authoritative in the export to 65 countries. We have achieved this position by consistently targeting quality.

Involved

We are involved and responsible in the environment in which we operate. We try to minimise our carbon footprint throughout the world and be an excellent employer closer to home, with a loyal and service-oriented attitude towards our partners and buyers.

Quality, warranty & design

Quality has proven to be of decisive importance in recent years, which is why we can offer 12-year warranty period for our chrome products. The entire selection is developed in Amersfoort. Geesa is certified according to the ISO 9001-2008 standard for design, production and the delivery of bathroom accessories. Geesa products are largely made of heavy chromed brass which prevents corrosion for an extensive period of time. Our choice of material and the nickel and chrome layer of 12 microns make a 12-year warranty possible. A 5-year warranty applies to matt chrome versions, and the Hairdryer Collection has a warranty of 1 year. Without losing any functionality, design is an important guide in everything that we do. Design surpasses functionality, it is our passion to become and remain authoritative in this in the international market. We have ensured excellent partners throughout the world, who are available to advise and solve each and every bathroom challenge.
