HÄFELE

June 20th, 2018

Dear Häfele Singapore Valued Customers and Business Partners,

Subject: Cessation of Assembling Services for SYMO Lock Effective July 15th, 2018

Thank you very much for your ongoing support on Häfele's products. Please accept this letter as notification of the Cessation of SYMO Assembling Services. This cessation is the result of an ongoing cost increases from internal labour, raw materials from suppliers, shipping and transportation. Therefore, the current market conditions do not leave us any room to maintain our current SYMO Assembling Services.

Effective **July 15th, 2018**, Häfele Singapore will CEASE to supply Assembled SYMO Locks.

Thank you for your understanding, co-operation and support. Häfele remains committed to providing leadership role in the markets we serve through creation and supplies of high quality products and solutions for our customers.

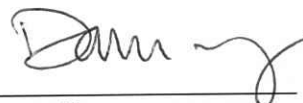

If you have questions, please contact your local Häfele sales representative.

Thank you.

Yours sincerely,
